POSITION SUMMARY

The Accountant will be responsible for performing and maintaining the activities of the overall general accounting function. Will maintain accounting systems, procedures, and policies by performing a variety of tasks that ensure the accurate reporting of accounting data. This position will require the use of hands-on accounting experience and a comprehensive understanding of accounting principles and company practices.

MINIMUM REQUIREMENTS

- Strong organization skills with particular attention to detail
- Strong computer aptitude, including advanced knowledge of Microsoft Excel
- Ability to work independently while managing multiple projects and deadlines

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Performing basic accounting procedures and transactions: AR, AP, Payroll, G/L
 - Accounts Receivable; invoicing, manage incoming payments, past due collections, etc.
 - Accounts Payable; requisition invoices, manage vendor payments, verify proper coding, etc.
 - Payroll; process payroll and maintain proper payroll records for the entire company
 - Month end reporting and closing for basic accounting procedures
- Use the company's ERP system and/or other electronic accounting processes in place
- Verify and enforce compliance with established financial policies and procedures
- Assisting and performing financial statement preparation, month end closing, journal entries & general ledger maintenance, inventory roll forwards, fixed assets, and margin analysis; preparing supporting schedules for financial statements preparation
- Preparing and maintaining daily, weekly, and monthly reports
- Reviewing, analyzing and reconciling general ledger accounts
- Assisting with annual financial and 401K audits
- Producing financial data upon request and assisting with other special Accounting projects
- Performing other duties as assigned
